Step 6. Approval of Application

By signing the Land Certification Program application, the landowner or the authorized agent of the landowner (applicant) agree to follow and uphold the program's Standards. The Landowner, Qualified Inspector and QDMA Representative signatures are **required** prior to approval.

If applicant is not the landowner, I acknowledge and agree that QDMA is a non-profit conservation organization whose primary business and purpose is to coordinate, support and participate in the education of the public in wildlife management and conservation; especially as such activities relate to and include legal hunting and management of white-tailed deer and related wildlife species.

I understand that if I provide false/fraudulent information my application for the QDMA Land Certification Program could be denied or revoked by the QDMA, and in that event I agree to remove and turn in my Land Certification Program sign(s). Therefore, I declare that I have examined this form, and to the best of my knowledge, all statements are true, correct, and accurate. In addition, my signature authorizes the Quality Deer Management Association to examine and audit my property to ensure that I am upholding all accounts of the Land Certification Program Standards.
