

SOUTHEAST PA BRANCH OF NDA A DAY OF WHITETAIL EDUCATION

CABELAS, HAMBURG March 12, 2022

ROOM OPENS 9:15 AM

PRESENTATIONS FROM 9:30 AM TO 3PM

SPACE IS LIMITED

REGISTRATION INCLUDES NDA MEMBERSHIP AND LUNCH

Event Presenters;

Ben Williams

“Developing a Sensible Foodplot Program and Timber Stand Improvement for White-tailed Deer”

Ben is the founder of Ol’ Tin Cup Habitat Restoration & Enhancement in Finger Lakes Region of New York. Ben can take your property’s current status as well as your budget and help you turn it into what you have always wanted it to be. He is an NDA certified Level II Deer Steward and Habitat Coordinator for GRST NDA Branch

Dr. Will Gulsby

“Deer predators and their effects on deer populations, effectiveness of various methods of mitigating predation”

“Habitat management for deer including year-round needs, forest and field management, managing habitat to mitigate predation”

Dr. Will Gulsby is an Associate Professor of Wildlife Ecology and Management at Auburn University. He received his M.S. and Ph.D. degrees in Wildlife from the University of Georgia. His research and teaching focus on applied management of wildlife habitat and populations, with particular emphasis on white-tailed deer and wild turkeys. Dr. Gulsby has also conducted research on coyote predation on deer across several states. In addition to publishing in a variety of scientific wildlife journals, his work has been featured in a variety of popular outlets, including Outdoor Life, Deer and Deer Hunting, and Quality Whitetails. He is also a regular guest on a variety of hunting and wildlife management podcasts.

C.J. Winand

“Crossbows in PA, The good, the Bad and the Ugly”

“Hunting deer with a wildlife Biologist”

C.J. is a wildlife biologist and a writer for Bow Hunter Magazine. He is a featured speaker for the NRA’s Great American Hunters Tour. He has been a National Promotions Director for Farmers and Hunters Feeding the Hungry. He’s been on the P&Y Conservation Committee and has received the QDMA Signpost Award as Communicator of the Year, and he’s damn funny!
