

MARCH FORUMS SCHEDULED REGARDING

Western Deer Hunting Season Zone

The Wildlife Commission will host two forums in western North Carolina where staff will provide a presentation on the current structure of the western deer season zone and how it relates to deer management objectives, followed by a proposal for a shift in season structure that could address these objectives. Attendees will have an opportunity to provide input during the forum as well as discuss topics with NCWRC staff afterward.

Both forums will be from 7–9pm and doors will open at 6:30pm.
